Sr.	Point mentioned in representation	T.C. Remarks
1.	<p>1. Average Annual Turnover Criteria:</p> <p>Vayu Products Private Limited was established in January 2021-, with manufacturing operations commencing in August 2022. Although our financial results for FY 2022-23 meet the turnover criteria individually, when calculated on an average basis over the last three financial years, it falls short due to the late commencement of operations. We request exemption from the average turnover criteria as per the circular issued by the Department of Expenditure, Ministry of Finance, Government of India (Circular No. F.20/2/2014-PPD dated 20th September 2016) which exempts startups registered with DIPP from prior turnover and experience requirements. Attached are the relevant circulars for your reference. Therefore, we request compliance with the aforementioned circular to exempt average turnover and experience requirements for startups, as mandated by law.</p>	Not accepted
2.	<p>2. Exemption of Bid Security: As per the circular No.F.20/2/2014-PPD(Pt.) dated 20th September 2016 and the amendment to Rule 170(i) of General Financial Rules 2017, Bid Security is exempted for startups recognized by the Department of Industrial Policy & Promotion (DIPP). Vayu Products is a DIPP-registered startup, and we request compliance with the aforementioned circular to exempt bid security for startups, as mandated by law</p>	As per RTPP Act & Rule, it is applicable to MSME Rajasthan only.
3.	<p>3. Participation Criteria: We advocate for the inclusion of only primary manufacturers in the tender process for Liquid Medical Oxygen. Given the critical nature of this life-saving drug, it is imperative that the bidder has direct control over the supply chain. Allowing only manufacturers ensures reliability and consistency in the availability of Liquid Medical Oxygen, thereby mitigating potential risks associated with relying on dealers who may face disruptions in their supply chain due to no direct control on the same.</p>	No need to change

S.No.	Current Specifications	Suggested Changes	Justification	T.C. Remarks
Point no 6 page no 72	Firm supplying LMO should attach satisfactory performance report from minimum 500 bedded total 05 hospitals (including Govt and private both)	Firm supplying LMO should attached satisfactory reports from minimum 100 bedded total 03 hospital (including govt and privates)	There are only two to three companies in the market for these services. Minimum 500 bedded hospitals and 5 locations making only one company qualify for this tender. We request you give relaxation in the criteria to allow	Not accepted

24

			more participant your prestigious organization.	
Point no 2 Point no I	Relaxation in bid security for MSME of Rajasthan only.	MSME relaxation for national companies should be allowed.	India is growing with new companies and we are growing MSME looking for government support to prove our skills. Giving us relaxation will help a growing company to participate. We are from India and proudly executing projects in the country.	As per RTTP Act & Rule, it is applicable to MSME Rajasthan only.
