Note:

- 1. The above section wise list of essential equipments and instruments is prepared and catalogued/coded based on past experience of purchase requirement of Medical Institutions.
- 2. The equipments of Group-A require annual maintenance & repair services and the group-B instruments do not require annual maintenance.
- 3. The Deletion or Addition of items may be suggested from the catalogued items.
- 4. The demands shall be submitted with code number of items.
- 5. The firm should have its own manufacturing plant and should have its own quality control and research laboratory.
- 6. The equipment should be US FDA/ISO 9001-2008/E-CE certified with certificate no. etc.
- 7. After installation the firm should provide detail technical, manual and facility for interfacing with E-Parikshan software (DICOM compatibility with serial/USB port for online reporting & data storage etc.)
- 8. The manufacturer should have service engineer locally based in zonal head quarter of Rajasthan.
- 9. The list of engineer working in Rajasthan with their appointment proof and contact no. and address should be provided.
- 10. The equipment should be pest proof.
- 11. Bidder should submit original literature/broacher of Quoted Model, Technical compliance detail & should clearly demonstrate having any deviation between technical specifications & broacher/literature of the quoted model.
