15. **PACKING**

1. The drugs and medicines shall be supplied in the package specified in Annexure-IV and the package shall carry the logogram specified in Annexure-II.
2. The packing in each carton shall be strictly as per the specification mentioned in Annexure-VII. Failure to comply with this shall lead to non-acceptance of the goods besides imposition of penalties.
3. The labels in the case of injectable should clearly indicate whether the preparations are meant for IV, IM, SC, etc.
4. It should be ensured that only first hand fresh packaging material of uniform size including bottle and vial is used for packing.
5. All packing containers should be strictly conforming to the specification included in the relevant pharmacopoeia/Act.
6. Packing should be able to prevent damages or deterioration during transit.
7. In the event of items of drugs supplied found to be not as per specifications in respect of their packing, the Ordering Authority is at liberty to make alternative purchase of the items of drugs and medicines for which the purchase orders have been placed from any other sources or from the open market or from any other tenderer who might have quoted higher rates at the risk and the cost of the supplier and in such cases the ordering authority has every right to recover the cost and impose penalty as mentioned in Clause 18.2 and 19.

16. **QUALITY TESTING**

1. Sampling of supplies from each batch will be done at the point of supply or distribution/storage points for testing. (The samples would be sent to different empanelled laboratories for testing by the ordering authority after coding). The RMSC will deduct a sum of 1.5% from the amount of bill payable to supplier on account of testing charges.
2. The Drugs shall have the active ingredients within the permissible level throughout the shelf life period of the drug. The samples may also be drawn periodically during the shelf life period. The supplies will be deemed to be completed only upon receipt of the quality certificates from the laboratories. Samples which do not meet quality requirements shall render the relevant batches liable to be rejected. If the sample is declared to be Not of Standard Quality or spurious or adulterated or mis-branded, such batch/batches will be deemed to be rejected goods.
3. In the event of the samples of the Drugs and medicines supplied failing quality tests or found to be not as per specification the ordering authority is at liberty to make alternative purchase of items of drugs and medicines for which the Purchase orders have been placed from any other sources or from the open market or from any other tenderer who might have quoted higher rates at the risk and the cost of the supplier and in such cases the ordering authority has every right to recover the cost and impose penalty as mentioned in Clause 19.
4. The supplier shall furnish to the purchaser the evidence of bio-availability and/or bio-equivalence for certain critical

drugs when asked for. If there is any problem in the field the B.M.R/B.P.R for the particular batch shall also be supplied when demanded.
