Maintenance of continuous supply of drugs is essential to avoid any shortage of drugs for which following decisions were taken: i) PSF was of the view that a single source purchase is permissible as mentioned in Rule 38 of GF&AR part II. Hence it was decided to procure minimum 10% of annual requirement of drugs from RDPL/other Central Pharma PSUs registered with Ministry of Chemicals & Fertilizers, Govt. of India, for drugs being manufactured by them, within the ceiling price as approved in PP Policy of Govt. of India. ii) For those items which are not in PP Policy but are being manufactured by RDPL/other Central Pharma PSUs, they may be procured from them on cost basis. The cost may be decided on the basis of material cost (raw material + excipients + packaging material) + conversion charges + reasonable mark up + taxes iii) Purchase may also be made at Rate contract of other State Corporations like TNMSC, KMSC, ESI and other States' SPOs directly.
