ORDER

I.A. No. 360/2019

This interlocutory application has been filed by the applicant namely M/s. Ridhi Sidhi Mills India Pvt. Ltd. industrial area Phase-II Pali, Rajasthan with the prayer to seek NOC for extraction of ground water for their industry.

Further, he has mentioned that he is seeking the order in pursuance of the order dated 10.05.2019.

The Learned Counsel for Central Ground Water Authority has filed detailed reply to this application. We have been informed that a total of 725 applications with regard to seeking permission for extraction of ground water are pending and the applicant is one of them. As we have already ordered in our earlier orders, including 10.05.2019, the question as to whether the permission should be granted to them or not shall be decided by the Tribunal and we have already ordered that till then no one is to be granted permission, as the area is over exploited zone.

Therefore, Interlocutory application (360/2019) is disposed of and the case of the applicant may be considered while deciding his application pending before CGWA after final order has been passed by the Tribunal.

The Learned Counsel for the applicant is directed to respond to the affidavits filed by the respondents positively before the next date of hearing.

List the matter on 18th October, 2019.
