No.F16 (Plastic-191)/RPCB/Plastic Waste/ 1070 to 1122

Date: 08-01-24

Office Order

The matter regarding disposal of the machinery used for manufacturing of banned Single-Use Plastic (SUP) items after the de-sealing/un-seizure of the plant has been reviewed and Rajasthan State Pollution Control Board has now decided that the following procedure shall be adopted for the de-sealing/un-seizure and disposal of the plant & machinery for different scenarios: -

1. Continuation of Plant Operation:

- The Project Proponent (PP) can continue the operation of the plant by submitting a proposal for manufacturing unbanned items.
- PP shall apply for consent from the State Board to operate the plant for the production of these unbanned items.

2. Sell of Machinery to Units Manufacturing Unbanned Items:

- If the PP proposes to sell the machinery, it should be sold only to units engaged in the manufacturing of unbanned items.
- The purchasing unit must submit a declaration affirming their engagement in the production of unbanned items and having valid consent/authorization from the State Board.
- The purchasing unit is required to obtain consent to establish and operate for expansion from the State Board.

3. Sell of Machinery to Future Units Manufacturing Unbanned Items:

- If the PP intends to sell machinery to a unit that is yet to be established and plans to manufacture unbanned items, a declaration from that unit is necessary.
- The purchasing unit must submit a commitment to obtain consent to establish and operate from the State Board before establishment and operation.

4. Alternative for un-seizure of the Plant Closure without Suitable Buyers:

- If the PP decides to close the plant and cannot find suitable and interested units for the machinery, then they should:
- Submit a Bank Guarantee of Rs. 5 Lacs or equivalent to the cost of plant & machinery, whichever is higher.
- Provide an affidavit regarding the sale/disposal of machinery to units engaged in manufacturing unbanned items/ authorized scrap dealers.
- Inform the State Board about the compliance as per the affidavit along with documentary evidence for the release of the submitted bank guarantee.

This bears the approval of the competent authority.

(Vijai N.)
