Office Order

The State Board has reviewed the representations received from various Regional Offices/Group In-Charges (GICs) and the Department of Environment, Forest & Climate Change (DoE&CC), highlighting the prevailing workload, shortage of engineering and scientific manpower, and the consequent need for continuation of the services of the Young Interns. The Board has also taken into consideration the additional workload arising due to deployment of staff for vigilance activities at Regional Offices, including Jodhpur, Pali, Balotra and Sanganer.

After due consideration of the matter, the State Board has decided that, in continuation of the earlier Office Orders regarding engagement of Young Interns and in the interest of ensuring continuity of the Board's regulatory, technical and scientific functions, the tenure of all Young Interns engaged under the Young Intern Programme, 2025 is hereby extended till the joining of new Junior Scientific Officers (JSOs) and Junior Environment Engineers (JEEs) to be recruited in the State Board or until further orders, whichever is earlier, subject to the following terms and conditions:-

1. The Young Interns whose tenure expired during July, 2026 shall report for duty at their same place of earlier engagement on or before 10.08.2026.
2. The period between the expiry of the earlier internship tenure and the date of rejoining shall not be treated as internship/service period, and no remuneration shall be admissible for such intervening period.
3. The honorarium/remuneration of the re-engaged Young Interns shall be admissible only from the actual date of rejoining and shall be paid in accordance with the terms and conditions of the Young Intern Programme, 2025.
4. All other terms and conditions of the Office Orders regarding engagement shall remain unchanged and shall continue to be applicable.

This bears approval of the Competent Authority.

(Kapil Chandrawal)
Member Secretary
