Steering Rajasthan cricket body, Vaibhav runs into 'red diary' storm

EXPRESS NEWS SERVICE
JAIPUR, AUGUST 3

STEPPING UP his offensive against the Ashok Gehlot-led Congress government in Rajasthan, sacked minister Rajendra Gudha has made public some excerpts from the "red diary" in his possession to allege irregularities in the elections to the Rajasthan Cricket Association (RCA) headed by Chief Minister Gehlot's son Vaibhav Gehlot.

Addressing a press conference in Jaipur Wednesday, Gudha read out a few lines from the purported red diary, which purportedly talk about non-payment of money by RCA honorary secretary Bhawani Shankar Samota and Samota backtracking on his promises to certain parties and this being raised with the CM's office.

While he did not reveal much about the content of the excerpts, Gudha said he could say with a "hundred per cent" certainty that "votes were bought during RCA elections."

Gudha, who was recently sacked by Gehlot as minister soon after he talked in the Assembly about "atrocities against women" in the state, claims that the "red diary" contains records of "misdeeds" by the Gehlot government and that he had retrieved it from the residence of Gehlot's aide Dharmendra Rathore at Gehlot's insistence while Income Tax raids were on at Rathore's properties in 2020 during a revolt against the Gehlot government. Rathore is currently the Rajasthan Tourism Development Corporation (RTDC) chairman.

Cricket and politics are inextricably linked in India and often they become a vehicle for people involved in one to make space or consolidate their position in the other. For Vaibhav, 41, who is now into his second term as the RCA president, remaining at the helm of the RCA is a way to remain in the public eye and keep his fledgling political career going.

Vaibhav Gehlot

Vaibhav unsuccessfully contested the 2019 Lok Sabha elections from Jodhpur, a constituency from where his father has been a five-time MP. He was elected as the RCA president unopposed for the consecutive second time in December last year.

Under Vaibhav's presidency, the RCA completed the renovation of the Barkatullah Khan stadium in Jodhpur and his father inaugurated the refurbished stadium in September last year. The political messaging was clear – despite losing the Lok Sabha elections from the constituency, Vaibhav was working for the development of Jodhpur. He has also laid the foundation of a state-of-the-art cricket stadium in Jaipur. Moreover, it was during Vaibhav's tenure that the first international cricket match in eight years was held in Jaipur's Sawai Mansingh Stadium.

The RCA's proximity to power and politics has remained a constant throughout the years. Though Jaipur did not host a single international match before Vaibhav's tenure, the RCA was never out of the news for long, primarily because of its past ties with former Indian Premier League (IPL) chairman Lalit Modi. Both Modi, a former RCA president, and current Rajasthan Assembly Speaker C P Joshi are Vaibhav's predecessors and have headed the RCA for multiple terms.

Modi, who was once close to former Rajasthan CM Vasundhara Raje on account of being a family friend, enjoyed a lot of power during his tenure as the cricket association's president between 2005 and 2009, a period that also coincided with Raje's first chief ministerial term.

According to politicians and bureaucrats from that time, Modi often had a say on matters not even related to cricket, and even top officials dared not to rub him the wrong way due to his proximity to the CM. The Congress has in the past constantly attacked Raje over her connections with Modi, accusing the latter of abusing power during her tenure.

Soon after the Gehlot-led Congress government came to power at the end of 2008, Modi's clout in the RCA weakened. At first, he lost the president's post in an election to bureaucrat Sanjay Dixit. Later, C P Joshi defeated Modi in the RCA presidential election.

Subsequently, the Board of Control for Cricket in India (BCCI) banned Modi and government agencies started probing him for alleged financial irregularities. However, he managed to once again be elected as the RCA president in 2014, which led to the BCCI banning the RCA.

The Modi era in the RCA came to an end in 2017 when Joshi once again got elected as the RCA president by defeating Modi's son Ruchir. With Modi living abroad, in 2019, Joshi, who was once Gehlot's rival, helped Vaibhav win the RCA presidential election by throwing his weight behind the CM's son.

Vaibhav's political career so far has been under the long shadow of his father. After graduating in 2003 with a Bachelor's degree in law from Indian Law Society's Law College in Pune, he became politically active in the subsequent years. Ahead of the 2009 Lok Sabha elections, his name first started doing the rounds as a possible Congress candidate from Jodhpur. However, the Congress fielded Chandresh Kumari, who went on to win the election.

Vaibhav's career has been marked by allegations of financial fraud cases. In 2013, the BJP accused the Gehlot government of allegedly awarding contracts worth several crores of rupees to Om Metals and Triton Hotels, which had reportedly hired Vaibhav as their legal consultant. The government denied the charges.

Then in 2015, a complaint was filed with the Enforcement Directorate (ED), again accusing Vaibhav of financial fraud. The complaint alleged that Triton Hotels, where Vaibhav had been employed since 2009, diverted shares worth Rs 10 for Rs 39,000 to Shivnar Holding, a Mauritius firm.

The complainants alleged that Ratan Kant Sharma, director of Triton Hotels, was an old friend of Vaibhav's and that he held the position of director in Vaibhav's car rental firm Sunlight Car Rental Services Private Limited.

Meanwhile, Vaibhav's political launch finally came through when, in the 2019 Lok Sabha elections, he was pitted against Union Minister Gajendra Singh Shekhawat from Jodhpur, the CM's home turf. Vaibhav, however, lost by over 2.7 lakh votes to Shekhawat, leading to a loss of face for the CM.

Following the Congress's rout in that election – the Congress failed to win any of the 25 seats in the state – Gehlot was targeted for spending too much time in Jodhpur. At the Congress Working Committee meeting held to discuss the defeat, Rahul Gandhi reportedly referred to Gehlot while talking about leaders who put the interests of their sons above that of the party.

However, months later, in October 2019, Vaibhav was elected president of the RCA for the first time, antagonising former leader of Opposition Rameshwar Dudi, who alleged that his candidature for the RCA post was rejected at the behest of the CM. Dudi attacked the government for "misusing" its authority and for its "dictatorial" attitude and said: "This puts a question mark on the CM."

IN LIEU OF HELP PROMISED IN AN ED CASE, SAYS AGENCY

Gaurav Dalmia paid Rs 12 crore to conman Sherpuria: ED's complaint

DEEPTIMAN TIWARY
NEW DELHI, AUGUST 3

INDUSTRIALIST GAURAV Dalmia gave Rs 12 crore to alleged conman Sanjay Rai Sherpuria, Rs 6 crore as donation to his NGO and Rs 6 crore in cash, in lieu of help promised by the latter in a case by the Enforcement Directorate (ED), the Central agency has said in its prosecution complaint against Sherpuria.

"ED investigation revealed that Sanjay Prakash Rai duped businessman Gaurav Dalmia and his family to the tune of Rs 12 crore by showing him fear of his arrest in an ongoing investigation conducted by ED ... of the said Rs 12 crore, Rs 6 crore (was) received in the bank account of Youth Rural Entrepreneur Foundation (YREF) in January 2023 from Dalmia Family Office Trust, wherein Gaurav Dalmia is trustee," says the ED complaint.

"In addition ... a sum of Rs 6 crore (was) received in cash by Sanjay Prakash Rai from Gaurav Dalmia which were subsequently layered and placed in the bank accounts of his sons Yash Sanjayprakash Rai and Sujal Sanjayprakash Rai in the form of accommodation entries from certain Delhi-based jewellers in the garb of sale of old jewellery," it added.

The cases in which Dalmia sought help from Sherpuria pertained to a real estate project he was developing in Ghaziabad in partnership with another company and an alleged forex violations case, sources said.

The Indian Express called and sent a message to Dalmia but he was not available for comment.

Sanjay Rai Sherpuria was arrested in April

The ED prosecution complaint, equivalent to a chargesheet, was filed by the agency in a special court July 28. The court took cognisance of the complaint Monday. The agency has filed another prosecution complaint against Sherpuria's associate Mohammed Kashif.

Sherpuria was arrested by UP STF in April for fraudulently "misusing" the PM's name for personal gain and allegedly faking access to the PMO and Cabinet Ministers to allegedly dupe businessmen. The UP STF action had been taken on a reference from ED which first began probing him.

The ED conducted search operations at 42 locations in New Delhi, Gurugram, Faridabad, Noida, Ghazipur, Pune and Gandhidham. Rai was arrested by ED and was in ED custody from June 3 to June 16.

According to ED, its probe has revealed that Sherpuria cheated several other persons and duped them to the tune of over Rs 2.51 crore by portraying himself close to VIPs.

Earlier, ED had frozen or attached 38 bank accounts with a balance of Rs 11.06 crore and a Mercedes car worth Rs 58.05 lakh in the name of accused, his family members and entities where proceeds of crime were placed. These entities include MyySports and Aviatrix Infradevelopers Pvt Ltd.

In the chargesheet against Kashif, ED alleged he had extorted Rs 1 crore from the family of a businessman in lieu of helping them in a case being investigated by the agency.

"During investigation, searches were conducted at the residence of Mohammad Kashif located in Sector 107 Noida ... wherein cash amounting to Rs 1,10,50,000, a currency counting machine and documents related to investigation conducted by various investigation agencies against other persons were recovered and seized. These documents pertain to investigations conducted by DRI, Customs, ED, ICAI etc," ED said in a statement.

As reported by The Indian Express, Sherpuria has flaunted his connections within the ruling dispensation. J&K LG Manoj Sinha mentioned in his 2019 election affidavit that he had received Rs 25 lakh from "Sanjay Rai" as an unsecured loan.

In December last year, the Centre's Ministry of Fisheries, Dairying and Animal Husbandry approved a grant of Rs 2 crore to his NGO for a Rashtriya Gokul Mission project.

YREF, sources said, was a key entity under probe by the ED. The Indian Express had reported how this NGO has retired IAS, IPS and armed forces officers on its advisory board.

While one retired IAS officer in the advisory board is connected with Kiran Patel, a conman who was arrested more than a month back in Srinagar, another member was an IPS officer embroiled in the 2018 CBI vs CBI battle.

Depressed over unemployment, Kota man jumps into canal, dies

PRESS TRUST OF INDIA
KOTA, AUGUST 3

A 28-YEAR-OLD man died allegedly by jumping into a canal in Kota's Udhyog Nagar area due to depression over unemployment, police said on Thursday.

Rakesh Nayak allegedly jumped into the canal from the Thegda overbridge on Wednesday noon and his body was recovered late evening, the police said.

According to his family members, Nayak, a resident of Uttam Nagar, got his BTech degree four years ago but could not find a job and eventually went into depression, Manoj Sikarwal, Circle Inspector at Udhyog Nagar police station, said. For his education, the victim had availed a loan of Rs 4 lakh and was unable to repay it due to persistent unemployment, Sikarwal said.

On Wednesday morning, Nayak appeared for a job interview at a private school but was not selected, following which he went to the factory where his father worked. While returning from there, he jumped into the canal from the Thegda overbridge, the CI said.

After the officials were informed, a rescue team from the Kota Municipal Corporation was rushed to the spot and Nayak's body was fished out in the evening after two hours of search operation, he added.

"Prima facie, Rakesh Nayak died by suicide by jumping into the canal due to depression over unemployment, however, no suicide note was recovered from his possession," Sikarwal said.

RS MPs should enter poll fray: PM Modi to NDA members

LIZ MATHEW
NEW DELHI, AUGUST 3

EVERY RAJYA Sabha MP should contest at least one election, MPs must assert the BJP as an effective and accommodating alliance partner, they must not rely on issues like the Ram temple alone but work hard in their constituencies – these are some of the messages Prime Minister Narendra Modi has been underlining to NDA MPs since his meetings with them started Monday.

The meetings are meant to bolster the MPs' confidence, with Modi starting off with the assurance that the BJP would return to power. With the MPs grouped region-wise, Modi has been altering his message accordingly.

For example, to members from southern states, where the BJP is still not a formidable force, the PM's message was about projecting the BJP as an effective and accommodating partner. He urged the MPs to spread the message that the BJP stood steadfast by its alliance partners even when not in power (like the AIADMK in Tamil Nadu).

Modi has also been saying that it is 25 years since the NDA was set up and that it was "not formed to oppose one person" but for a cause. This is to juxtapose it against the INDIA bloc, whose ostensible aim is to stop Modi, sources said.

At his first meeting with NDA MPs belonging to Western Uttar Pradesh, Modi said the BJP always honoured its allies – talking about the party giving up chief ministership in both Bihar (to erstwhile ally JD-U) and Maharashtra (to the Shiv Sena), despite being the larger party. The BJP did not even seek the deputy CM post in Punjab despite being in a long alliance with the Akali Dal, the PM said.

While addressing MPs from Eastern UP, Modi said the Ram temple movement originated from the ideology the BJP believes in, and was nearing its "logical" conclusion. "He said that we, however, cannot rely on the Ram temple alone to win... He said we cannot be complacent," a source said.

Keen to repeat its dominance in the Lok Sabha polls, the BJP has been trying to increase its catchment area through alliances – reviving old ones and forging new ones. Recently, it flaunted 38 parties at an NDA meeting held after a long time – and on the same day as an INDIA unity meeting.

Among the parties still out of the NDA umbrella but seen to be looking in earnestly are the TDP and Akali Dal. Apart from fighting the impression that a domineering BJP holds little regard for smaller allies, these meetings also re-emphasise Modi's oft-repeated message of Sabka Saath, Sabka Vikas. BJP president J P Nadda and Union minister Nitin Gadkari have been fielded to underline that the BJP government does not discriminate against anyone in the name of religion or caste.

On the other hand, it is the Opposition that is "playing caste politics", the PM has told MPs. The "only caste for us is poverty", Modi said, as per sources, adding that all NDA MPs must assert that their battle is against poverty and highlight the welfare measures initiated by the Centre.

Minor girl's body recovered from Bhilwara brick kiln: locals allege rape and murder

Jaipur: The burnt body of a 14-year-old girl was recovered from a brick kiln in Bhilwara district, police said.

Locals alleged that the girl was raped before she was thrown into the kiln.

Late on Wednesday night, while looking for the girl who went missing in the morning, her family members spotted her footwear near a brick kiln. On peeping inside, they found her bangle and a few bones, the police said. Locals caught hold of a few persons of the Kalbelia nomadic tribe, suspecting their involvement in the crime, and handed them over to the police, they said. PTI
